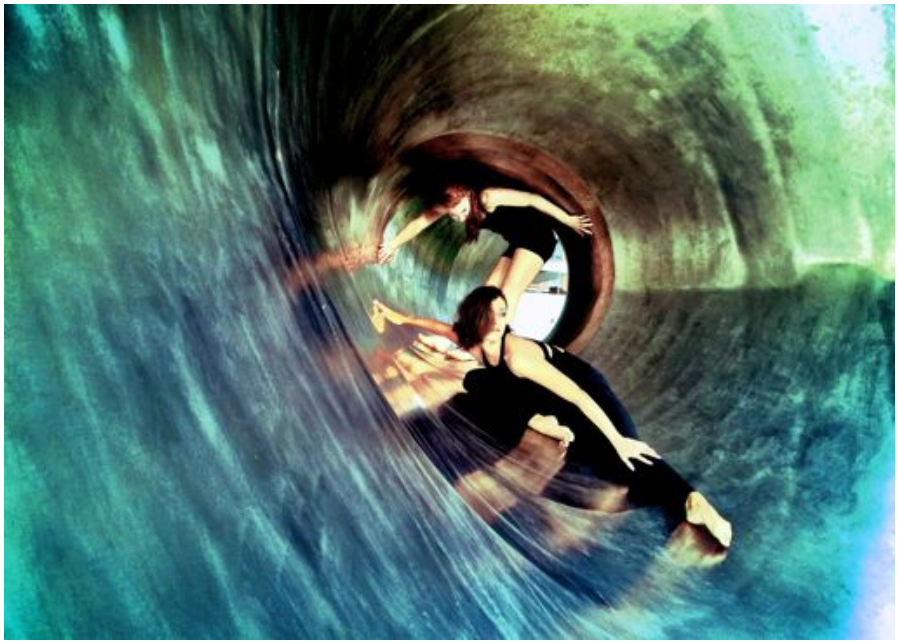
DEEP VISION DANCE COMPANY

FY 2015 ANNUAL REPORT

~ Celebrating 5 Years ~



Our mission is to cultivate innovative and collaborative dance experiences that engage and empower the community.

Celebrating 5 Years of Engaging, Motivating, and Inspiring Our Community

This year, Deep Vision Dance Company (DVDC) celebrates 5 years, and we thank you for your ongoing support of our work! Your involvement means a great deal to us and helps to ensure the continuation of an abundant year of stunning dance performances, educational workshops and residencies, and enriching community events. We are very proud of what we have accomplished in 5 years, and we certainly could not have done it without you! This year was busy and exciting. We performed FLUX at the Theatre Project, participated at Free Fall Baltimore, showcased artists through the AKIMBO Dance & Movement Art Festival, supported professional development through our educational Go Deep! workshops and residencies, and much more! DVDC enriches the field of dance by fostering a community that encourages artistic growth and personal discovery. *Nicole A. Martinell*, Artistic/Executive Director
